THE FORMAL WRITTEN REPLY TO THE LAST OFFICE ACTION MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a reply to the last Office action has already been filed, APPLICANT IS GIVEN A NON-EXTENDABLE PERIOD OF THE LONGER OF ONE MONTH OR THIRTY DAYS FROM THIS INTERVIEW DATE, OR THE MAILING DATE OF THIS INTERVIEW SUMMARY FORM, WHICHEVER IS LATER, TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW. See Summary of Record of Interview requirements on reverse side or on attached sheet.

Summary of Record of Interview Requirements

Manual of Patent Examining Procedure (MPEP), Section 713.04, Substance of Interview Must be Made of Record

A complete written statement as to the substance of any face-to-face, video conference, or telephone interview with regard to an application must be made of record in the application whether or not an agreement with the examiner was reached at the interview.

Title 37 Code of Federal Regulations (CFR) § 1.133 Interviews

Paragraph (b)

In every instance where reconsideration is requested in view of an interview with an examiner, a complete written statement of the reasons presented at the interview as warranting favorable action must be filed by the applicant. An interview does not remove the necessity for reply to Office action as specified in §§ 1.111, 1.135. (35 U.S.C. 132)

37 CFR §1.2 Business to be transacted in writing.

All business with the Patent or Trademark Office should be transacted in writing. The personal attendance of applicants or their attorneys or agents at the Patent and Trademark Office is unnecessary. The action of the Patent and Trademark Office will be based exclusively on the written record in the Office. No attention will be paid to any alleged oral promise, stipulation, or understanding in relation to which there is disagreement or doubt.

The action of the Patent and Trademark Office cannot be based exclusively on the written record in the Office if that record is itself incomplete through the failure to record the substance of interviews.

It is the responsibility of the applicant or the attorney or agent to make the substance of an interview of record in the application file, unless the examiner indicates he or she will do so. It is the examiner's responsibility to see that such a record is made and to correct material inaccuracies which bear directly on the question of patentability.

Examiners must complete an Interview Summary Form for each interview held where a matter of substance has been discussed during the interview by checking the appropriate boxes and filling in the blanks. Discussions regarding only procedural matters, directed solely to restriction requirements for which interview recordation is otherwise provided for in Section 812.01 of the Manual of Patent Examining Procedure, or pointing out typographical errors or unreadable script in Office actions or the like, are excluded from the interview recordation procedures below. Where the substance of an interview is completely recorded in an Examiners Amendment, no separate Interview Summary Record is required.

The Interview Summary Form shall be given an appropriate Paper No., placed in the right hand portion of the file, and listed on the "Contents" section of the file wrapper. In a personal interview, a duplicate of the Form is given to the applicant (or attorney or agent) at the conclusion of the interview. In the case of a telephone or video-conference interview, the copy is mailed to the applicant's correspondence address either with or prior to the next official communication. If additional correspondence from the examiner is not likely before an allowance or if other circumstances dictate, the Form should be mailed promptly after the interview rather than with the next official communication.

The Form provides for recordation of the following information:

- Application Number (Series Code and Serial Number)
- Name of applicant
- Name of examiner
- Date of interview
- Type of interview (telephonic, video-conference, or personal)
- Name of participant(s) (applicant, attorney or agent, examiner, other PTO personnel, etc.)
- An indication whether or not an exhibit was shown or a demonstration conducted
- An identification of the specific prior art discussed
- An indication whether an agreement was reached and if so, a description of the general nature of the agreement (may be by attachment of a copy of amendments or claims agreed as being allowable). Note: Agreement as to allowability is tentative and does not restrict further action by the examiner to the contrary.
- The signature of the examiner who conducted the interview (if Form is not an attachment to a signed Office action)

It is desirable that the examiner orally remind the applicant of his or her obligation to record the substance of the interview of each case. It should be noted, however, that the Interview Summary Form will not normally be considered a complete and proper recordation of the interview unless it includes, or is supplemented by the applicant or the examiner to include, all of the applicable items required below concerning the substance of the interview.

A complete and proper recordation of the substance of any interview should include at least the following applicable items:

- 1) A brief description of the nature of any exhibit shown or any demonstration conducted,
- 2) an identification of the claims discussed,
- 3) an identification of the specific prior art discussed,
- 4) an identification of the principal proposed amendments of a substantive nature discussed, unless these are already described on the Interview Summary Form completed by the Examiner,
- 5) a brief identification of the general thrust of the principal arguments presented to the examiner,
(The identification of arguments need not be lengthy or elaborate. A verbatim or highly detailed description of the arguments is not required. The identification of the arguments is sufficient if the general nature or thrust of the principal arguments made to the examiner can be understood in the context of the application file. Of course, the applicant may desire to emphasize and fully describe those arguments which he or she feels were or might be persuasive to the examiner.)
- 6) a general indication of any other pertinent matters discussed, and
- 7) if appropriate, the general results or outcome of the interview unless already described in the Interview Summary Form completed by the examiner.

Examiners are expected to carefully review the applicant's record of the substance of an interview. If the record is not complete and accurate, the examiner will give the applicant an extendable one month time period to correct the record.

Examiner to Check for Accuracy

If the claims are allowable for other reasons of record, the examiner should send a letter setting forth the examiner's version of the statement attributed to him or her. If the record is complete and accurate, the examiner should place the indication, "Interview Record OK" on the paper recording the substance of the interview along with the date and the examiner's initials.

Re: Deposit Account #150030

Dear Mr. Lebron:

Enclosed is a copy of a portion of our deposit account statement of December, 2005. See the highlighted charge on **serial number 10/900,095 in the amount of \$400.00 on fee code #1201.**

On December 7, 2005, an amendment containing two additional independent claims was filed in this application. **A credit card payment form for American Express in the amount of \$600.00 was included in that filing to pay for 3 extra independent claims (note the amendment only contained 2 extra independent claims). Therefore, there should not be any additional charges on our deposit account for this application AND we are also due a refund of \$200.00 for overpayment of claim fees.**

Please review this application and kindly refund \$600.00 to deposit account #150030. Copies of the appropriate paperwork are attached. If you have any questions, please contact Debbie Noel at (703) 412-6296. Thank you for your assistance in this matter.

Sincerely,

OBLON, SPIVAK, McCLELLAND,

Dear Mr. Lebron:

Enclosed is a copy of a portion of our deposit account statement of January, 2006. Please review the highlighted charge on **Serial Number 11/230,482 in the amount of \$180.00 on fee code #1806.**

An Information Disclosure Statement (IDS) was filed with the original application papers on September 21, 2005. No fee is required to file this IDS. The fee charged to our deposit account was in error and should be refunded.

Please investigate this charge and **kindly refund \$180.00 to Deposit Account #150030. Copies of the appropriate paperwork are attached.** If you have questions, please do not hesitate to contact me. My phone number is 703-412-6296. Thank you for your assistance.

C. Paul Maliszewski
Reg. No. 51,990**REQUEST FOR REFUND**

Honorable Sir:

This is a Request For Refund of the \$165.00 additional Extension of Time Fee (the difference between a one month extension and a second month extension -small entity) which was listed on our January 2006 Statement for Deposit Account No. 500822, in connection with the above-referenced U.S. Patent Application. More specifically, for the entry dated January 31, 2006, Sequence No. 1 for Posting Ref: 10167187 (Our Attorney Docket No: IPCP:108_US).

A Request for Reconsideration After Final was timely filed within Two Months (mailed on October 13, 2005) from the date of the final Office Action which action was dated August 19, 2005. Therefore, the time period as set forth in the subsequent Advisory Action Before The Filing of an Appeal Brief with a mailing date of "12/20/05," according to MPEP 706.07(f)(C)(3) "for reply expires 3months from the date of the final rejection or as of the mailing date of the advisory action, whichever is later", since box 1.b) was checked by the Examiner in the Advisory Action on form PTOL-303. Since the later date would be as of the mailing date of the Advisory Action; applicant has requested and paid for a ONE month extension of time from 12/20/05 (the date of the Advisory Action), until January 20, 2006. The One-Month Extension of Time fee has

Request for Refund

already been paid along with the Combined Notice of Appeal from The Primary Examiner to the Board of Patent Appeals and Interferences & Petition for Extension of Time Under 37 C.F.R. 1.136(a) (Small Entity), which was filed on January 19, 2006; (within one month from the Advisory Action date of December 20, 2005. Therefore, a Two-Month Extension is NOT due and the Deposit Account of Attorney for Applicant should not have been charged.

Please review your records and proceed to credit Deposit Account No. 500822, in the amount of \$165.00 to correct this error.

Respectfully submitted,
